

The Mystery

LibriVox NaNoWriMo Project 2006

The idea was to write a whole novel in the month of November, based on the guidelines of the National Novel Writing Month. The twist is that there are up to 30 people writing together, instead of one toiling alone. Most writers recorded their own chapter (or found other readers). The resulting novel (with several endings) is in the public domain. (Summary by Gesine)
